Ms. Walsh,

We received your fax where you state that **Laverlam International Corporation** is now Doing Business as "**LAM International Corporation**". Please explain.

If the company has been sold or merged etc., then you need to submit a Company Transfer. The EPA Company Number will remain the same – however the name will change. For a company transfer, I have attached a sample Company Transfer Agreement.

If it is just a name change then, please explain how you wish it to be displayed. For example:  
"Laverlam International Corporation, D/B/A LAM International Corporation". Or, just  
"LAM International Corporation" ?
